

BOYS & GIRLS CLUBS
OF MOULTRIE/COLQUITT COUNTY

Moultrie, Georgia-3/1/2017-The Boys & Girls Clubs of Moultrie/Colquitt County has been selected by the Taco Bell Foundation as a recipient of a Taco Bell Foundation Grant in the amount of \$5,000 for the 2016-2017 grant year. Taco Bell is thrilled to continue supporting efforts with teens and now in an unprecedented way through the launch of Taco Bell Foundation Grant.

Taco Bell Foundation has partnered with Boys & Girls Clubs of America for nearly 20 years, helping more than half a million teen members annually on their path to graduation. With the help of Taco Bell's support in our teen strategy initiative, an estimated 78% of teen members are on track to graduate from high school.

By implementing the Taco Bell Foundation Grant initiatives, BGCA and Taco Bell will collaborate to provide clubs with tools and resources to impact more teens, more often. The Taco Bell Foundation Grant platform challenges America's teens to make a personal pledge to graduate high school. In return for their commitment, teens will receive resources and rewards to keep them on track and diploma bound.

The Boys & Girls Clubs of Moultrie/Colquitt County is thrilled about this continued partnership and will continue to provide tremendous programming opportunities for teens to ensure that they have all the tools and resources necessary to graduate on time and achieve all of their goals.
